Credit Counselor/Bankruptcy Counselor

Consumer Credit Counseling Service of Central Oklahoma

Position Description

Job Title: Credit Counselor **Reports to:** Branch Manager

Job Summary:

Primary responsibilities include meeting with clients to help them review their financial situation and working with them to design a solution to their financial problems, maintaining relationships with clients as they repay their debts on our debt repayment plan, maintaining client's accounts, some public relations and education activities in coordination with other departments.

Responsibilities:

- 1. Negotiate agreements on behalf of CCCS clients in the case of delinquent debt.
- 2. Motivate consumers to take the actions necessary to resolve their financial problems. Refer consumers to other organizations and resources as needed on a case-by-case basis.
- 3. Assess the appropriateness of various financial options and develop individually tailored Debt Management Plans to assist consumers in repaying delinquent debt, if needed.
- 4. Work with clients to implement and carry out their Debt Management Plans.
- 5. Stay abreast of current economic conditions and legislation and maintain an ongoing analysis of the impact of such development on CCCS clients.
- 6. Represent CCCS professionally and effectively through participation in professional development programs, interagency meetings, and through the certification process.
- 7. Involvement in community relations and education in conjunction with the Branch Manager and the Education Department.
- 8. Perform other responsibilities as required or assigned.

Knowledge/Skills Required:

Education and Experience

1. High school diploma or GED plus two years experience in home economics, education, social services, counseling, finance or consumer credit.

- 2. Willingness to obtain Certification as a Consumer Credit Counselor (CCCC) through the National Foundation for Credit Counseling (NFCC) within one year of employment.
- 3. Experience working with the general public, negotiating with others to achieve results, and developing solutions/alternatives to solve problems.

Skills

- 1. Ability to plan and organize, to manage multiple priorities, and be detail oriented
- 2. Ability to work well under pressure
- 3. Possess and exhibit written and oral communication skills
- 4. Use discretion and judgment in working with confidential information
- 5. Work with diverse personalities and intellectual levels
- 6. Understand and be sensitive to personal financial problems
- 7. Negotiation, analytical and problem-solving skills
- 8. Work with personal computers and a variety of office machines
